

R.A. 11210 – Expanded Maternity Leave Law

On July 17, 2019 Infuturo Inc. Mint05 conducted a seminar covering the formal legitimization of R.A 11210 or the Expanded Maternity Leave Law. The company swiftly moved to adapt and implement these changes to the company not only to comply with government mandated laws and policies but to also improve the welfare of its employees.

Conducted by the HR department, the event was done at Site 6, Benitez Compound at 2:00 in the afternoon.

R.A. 11210 –Expanded Maternity Leave Law presented by Sir Tyrone Dan “Ty” Rullan, one of the company’s HR Associates.

The employees who attended the seminar learned more about the purpose and aim of the law that is; to protect and promote the rights and welfare of working women, protect and strengthen the family and provide women with ample time to regain health and overall wellness. The attendees were also enlightened on the benefits and privileges that the law entails.

Aside from learning about the aim and benefits granted by the law, the employees also learned about the qualifications required as well as the responsibilities that should be addressed beforehand to be eligible for the expanded maternity leave.

Employees of the company listen intently as changes regarding the benefits and provisions of the law are being presented.

Once the event was finished, the heads of each department received a copy of the presentation for them to share to their colleagues who weren't able to listen to the seminar.

Infuturo Inc. Mint05 is a company that always keeps the betterment of its employees to mind and heart. Mothers employed in the company who are going through or will go through the laborious task of childbirth and infant care can rest easy knowing that the business will grant eligible Maternity Leaves as due promised by law.
