

Celebrating Teacher's Day

"The influence of a good teacher can never be erased" -Anonymous
 Teachers have always been a big part of our lives, it is just right to let them feel appreciated and cherished whenever we celebrate their day. To celebrate their day, the company showed its gratitude by giving simple tokens that promotes harmony last October 4, 2019 at Site 4C of Mint05 Infuturo, Inc.

The company decided to give smooth ceramic mugs with simple reminders quoted in front of it like; *Calm Mind, Positive Energy, Kind Heart, Keep on Dreaming, Only you can make it happen,* and etc. as a reminder to stay optimistic and harmonious every time they use it.

Smiles and appreciation filled the air as each teacher received their tokens. Teachers were overjoyed with heart-warming feelings towards the company for recognizing their determination and passion.
