MINT Center for Language Acquisition Inc., InTALKonnect, F1rstcall and UniVoice celebrate their first Valentine's Day event as separate entities. To show the quality of oneness among the 4 businesses, this year's celebration was themed "Seasons of Love".

In line with the seasons namely: spring, summer, fall and winter, each site decorated their offices according to the season they've been assigned to by draw lots. Site 1 got the season of winter; Site 2: summer; Site 3: fall/autumn and Site 4: spring. A competition was set up amongst the four sites to see who could come up with the most beautiful set up. That said, employees of each site helped one another in coming up with splendid designs that capture each season! The use of recycled materials was encouraged to add on challenging their creativity and come Valentine's Day, employees toured all sites and chose which one is the most appealing to them.

February 14<sup>th</sup>, and it's Valentine's Day! An opening program was conducted to officially start the event. It was headed by Ms. Diana E. Ringor, MCLA General Manager, who gave the official statement for Valentine's Day Celebration. As the company wants to spread love, one program namely: "Sponsor a Child" – Bethesda Ministries International, Baguio City, was introduced by Mr. Ivy R. Diez, MCLA HC manager. In the hopes to spread awareness and information to elicit one or many others to extend a helping hand to children in need.

Valentine's Day is meant to express all kinds of love in many unique ways. The love that was spread this year will always be remembered by pictures taken, messages written, and efforts put into the preparation of this occasion that resulted to an outcome that everyone can and are most proud of. All in all, it was work that stems, flourishes and blooms from the heart.
