

A Chain of Kindness: The Spirit of Giving

Welcome to Mint's Year End Bazaar 2019!

Year after year, Infuturo Inc. Mint 05 holds its company wide, Year-End Event.

Instead of the typical dinner out at a hotel or beach trip to the tropical coasts, employees instead spent their last days of 2019 by imparting a meaningful change to the budding members of our community.

On December 21, 2020, employees prepared game booths, bazaar stalls and different parlor games and activities for all the attendees in this year's Year-end Bazaar.

The kids from Bethesda Children's Home for orphanage children were the special guests of this year end event. A total of 57 children across different age groups and 7 of their guardians joined the Mint Community in celebrating the last days of the year with smiles and laughter.

Our welcomed guests arrived bright and early at 7:30 a.m. and were first treated to a yummy breakfast!

Kids playing and enjoying themselves with different parlor games.

Children from Bethesda Children's Home performing their song and dance.

After eating their fill, the kids joined the opening program given by our Human Capital Manager, Mr. Ivy R. Diez, where they were warmly welcomed by the rest of the teachers and admin personnel.

After introductions came different fun and engaging parlor and booth games for the Bethesda kids! They enjoyed participating in games such as: Limbo and Newspaper Dance, Jelly Table Pong and Dance map.

After meals, fun and games, the Bethesda kids performed two song and dance numbers to show their appreciation to all of the members of the Mint Community. Laughter and teary eyed smiles were seen all around as the children from Bethesda Home gave their farewells after a heartfelt thank you.

A Chain of Kindness: The Spirit of Giving

A sweet desserts bazaar booth by Ma'am Gwen from the CRD Department.

The event did not end with the children's departure as when the kids have gone up and away, it's the adults' turn to play!

The program carried on in the afternoon with parlor and booth games for employees and their family members to enjoy! After all, there were still booth and raffle prizes to be won!

Teachers, admin personnel and their families alike also enjoyed the same parlor games that the Bethesda kids participated in with a few additional rounds and games here and there.

Overall, everyone was a team player and good sport as they tried to best each other whether as a group, team or site!

After each game, various tokens and prizes were awarded to the victorious!

Teams gearing up to face each other in a game of Sort and Organize!

A final commemorative picture taken with Mint employees and the children from Bethesda Children's home. Happy end of the year!

After games were played, food was eaten and prizes were collected. The awards ceremony followed to give recognition to the Mint's exemplary teams and employees that was conducted by none other than our General Manager: Ma'am Diana E. Ringor.

After memorable pictures were taken, the Year-end Bazaar was officially put to a close with final words of appreciation and well wishes given by Ma'am Diana to all of the members of the Mint Community.

This year end event was about making a difference, no matter how small, and imparting kindness to not just the young members of our society but to everyone we interact with. Happy Year-end Bazaar!
